Master Plastic Surgeons Share Facial Rejuvenation Techniques
REJUVENATION OF THE AGING FACE. January 19-24, San Diego.

Beverly Hills plastic surgeon **Dr. William J. Binder** was among the master plastic surgeons who brought their two-decades-plus experience in facial rejuvenation procedures to teach their techniques to other surgeons. Dr. Binder participated in several of the seminar sessions including the ***Basic Principles of Aging Face from the Masters*** where he spoke on “Facial Implants and Facial Rejuvenation” as well as “Issues in Lower Face Rejuvenation”. In other sessions, Dr. Binder discussed his “Verticle Midface Lift”, “The Multi-Level Approach to Midface Rejuvenation” and “Multi-Modal, Multi-Disciplinary Volumization of the Face”.
